❖ **May - MayGiving Fundraiser in Response to COVID-19**

As you know, FCSN has discovered and developed our band members' gifts of music and our lives were forever changed. To show our appreciation and respond to the hardship experienced by FCSN caused by COVID 19, we would like to dedicate our concerts in May to raise funds for it. If you like our music, please consider supporting FCSN with a generous donation to help them continue the best quality services to children and adults with special needs.
