

March 20, 2016 Trip:

Dear Family,

I read an article introducing early spring mustard flower blooming in Napa area. Therefore, I decide to plan an early bus trip to enjoy the beautiful yellow mustard flower blooming in Napa.

The trip will cost \$25.00 per person.

Instead of visiting a specific winery, we will only visit downtown Napa. There are many great restaurants along the Napa River. You can have lunch at your choices in Downtown Napa. After lunch, we will drive to Jack London State park visiting the wolf house and park museum in the park. Then we will head south and stop by Marin Headline to view the magnificent golden gate bridge from the north side before we call it a day.

I will try to limit our trip to one bus only that means I can only take up to 50 passengers.

Therefore please email me to sign up for the trip as early as possible.

Please email me with the following information:

1. How many passengers to go
2. Name, email address, cell phone number of the main contact for the party
3. FCSN students name.

Thank you all very much!

The detail schedule is as follows, Thank you very much

3/20/2016	Napa Bus Trip
