

Dear Friends,

The Pandemic Crisis is a huge opportunity for us to share our love with children and adults with special needs. Let us open our arms, and show them we care. Join the **RELAY FOR OUR DREAM** fundraising campaign and celebrate our unity at our virtual gala on **November 7, 4pm**.

Sincerely,  
Anna Wang  
FCSN Co-Founder

## Our Honoree: Nancy Bargmann

**NANCY BARGMANN** was appointed Director of the California Department of Developmental Services (DDS) in 2016, by Governor Edmund G. Brown Jr. The Department, in conjunction with the 21 private nonprofit regional centers located throughout the State, provides services and supports to over 300,000 Californians with developmental disabilities. Director Bargmann has extensive experience in the developmental services field, both in the private, non-profit and corporate sectors, and the State. During the pandemic, Director Bargmann has tirelessly developed directives with the Developmental Services Task Force composed of individuals, families, advocates, community-based organization and regional center leaders to ensure the safety, well-being and survival of the special needs community and the service providers.
