

Dear Friends,

Our children and adults with special needs need your support to overcome adversities through the pandemic crisis. With your generous donation, FCSN can sustain the in-person services, virtual training, educational seminars and family support for them. Let us open our arms, and show our love and care.

No donation is too small because it's from the heart. Join the **RELAY FOR OUR DREAM** fundraising campaign and celebrate our unity at our virtual gala on **November 7, 4pm**.

Sincerely,
Anna Wang
FCSN Co-Founder
